## Farm shop's cheese and wine event

Brockleby's Farm Shop is to hold one of its popular Cheese and Wine Parties later this month.

The event, from 7pm to 9pm on Friday, June 29, will take place at the shop in Asfordby Hill, Melton Mowbray.

Regional winemakers and local dairymen will be on hand to offer samples of their produce and answer questions from guests.

The farm shop, which recently celebrated its second birthday, will also be open, selling its collection of the very best food and drink produced in the region.

Customers who like what they try will be able to take advantage of special offers, including VAT-free prices on cases of local wine.

Anyone wishing to attend the party should register their interest by calling the shop on 01664 813200.
